

INSTALLATION INSTRUCTIONS

Part Number HD-2084

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION

1. Remove the stock air filter.
2. Apply the provided gasket to the flat side of the K&N Filtercharger®. (Fig. 1)
Note: The side with the bump seal will go against the base plate. (Fig. 2) The gasket goes against the air cleaner cover.
3. Reinstall the stock air cleaner cover.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
