

INSTALLATION INSTRUCTIONS

Part Number KA-1594

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Air Filter seals properly.

INSTALLATION

1. Remove the stock air filter.
2. Install one of the provided washers on to each of the stock air filter bolts.
3. Install the K&N Air Filter into air box.
4. Install the stock bolt and washers on to the K&N Air Filter and tighten.
5. Reinstall the air box cover.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
